Topic: Retention of General Investment Consultant

Date: April 28, 2021

The Board of Trustees for the Illinois Police Officers' Pension Investment Fund selected Verus Advisory, Inc. to provide general investment consulting services at their meeting on April 23, 2021.

Verus advises on over \$535 billion in client assets, through non-discretionary consulting and discretionary OCIO services, for a wide range of clients including educational and charitable organizations, corporate, multi-employer and public defined benefits plans, hospitals, and insurance providers.

"The Board of Trustees looks forward to working with Verus Advisory, Inc as the General Investment Consultant for the IPOPIF. We believe that the organization, and their highly experienced consulting team, have the skills and experience working with public sector defined benefit plans that the Board of Trustees and our staff requires in order to successfully complete the transition of assets from the participating police pension funds into the single consolidated trust fund and to subsequently build a quality institutional investment fund for the benefit of our participants and beneficiaries."
